

Coconut Yogurt Lassi Recipe

Ingredients:

- 1 cup Epigamia Unsweetened Coconut Milk Yogurt
- 1/4th tsp cardamom
- 1/4th tsp cinnamon
- 1 tsp honey (if desired)
- Ice
- Pistachios (for garnish)
- Milk (optional)

Instructions:

1. Pour 1 cup of Epigamia Unsweetened Coconut Milk Yogurt (and milk, if using) into a blender. Toss in cardamom, cinnamon and honey.
2. Blend the mixture until it's smooth, then blend in a few handfuls of ice. When the lassi seems thick like a smoothie or milkshake, it's good to go.
3. Garnish with pistachios and serve in a kulhad for maximum authenticity :)
